Our first \$5000 grant to develop a one stop web portal for Family Violence services in the Tweed was announced in October 2017.

Launch of the website is planned for 5 June, 2018.

LINKS TO OUR COMMUNITY

LINKS WITH OTHER DV SERVICES

Board members Kym McMillan, Michelle Bradley and Ilze Jaunberzins attended the Integrated Response Committee in February to introduce the purpose of WFS.

Our first phase focus is prevention, exploring options and recovery.

Kinship Festival Murwillumbah Saturday 19 May

The launch of the Wollumbin Family Support information stand took place at this year's Kinship Festival in Murwillumbah and we were met with great enthusiasm from the local community.

In addition to providing current domestic violence service and support resources, the information stall is an opportunity for us to discuss our vision and register new members and volunteers.

We will be popping up around the Tweed so please stop by for a chat if you see us as we welcome the support of the community in becoming part of the solution to family violence in the Tweed.

VOLUNTEER PROGRAM

WANT TO HELP US BUILD OUR VISION?

We are currently seeking volunteers to help us with admin, fundraising and attending to our information stalls.

If you are interested in volunteering, please contact us through our email wollumbinfsi@gmail.com

We would like to express gratitude to our volunteer, Bev Clark who prepares the mailchimp newsletters.

Next time we have our information stall with information resources and kids activities, please come and say hello.
